### **JEAC Statement of Sportsmanship**

The purpose of the Junior Emirates Athletic Conference is to provide a venue for students from the member schools to participate in athletic events in an environment that is safe, challenging, professional, and educational. Each participant is given the opportunity to demonstrate her/his best ability while maintaining a spirit of respect and cooperation with fellow students from various international backgrounds.

Each event involves students and adults in their different roles as athletes, competitors, participants, coaches, sports officials and spectators. All those involved in the event are expected to uphold the same spirit of respect and cooperation. This spirit is demonstrated by fair play among competitors, positive encouragement from participants and coaches, cooperation among participants, impartial judgments from officials and respectful enthusiasm from spectators.

The behavior of the adults is crucial to the successful educational aspect of the event. The adults act as models for our students. Therefore profanity, the condemnation of coaches or officials, or any behavior that is disrespectful or degrading to the JEAC standard of sportsmanship, jeopardizes the purposes of the JEAC organization and, most of all, jeopardizes the quality of the experience for the participants.

As the event ensues, we ask that all of our parents, coaches, officials and participants keep this vision of our purpose in mind.

### **JEAC Code of Conduct**

The pursuit of good sportsmanship is a priority for JEAC and its member schools. Coaches, administrators, athletes, support groups, parents, and fans are expected to display good sportsmanship at all regular season and tournament competitions. Member schools are encouraged to have policies that promote good sportsmanship.

#### **General guidelines include, but are not limited to:**

1. No offensive or profane lyrics on recorded music.
2. No playing music during playing action.
3. No air horns, whistles.
4. No noise makers of any kind may be used during playing action.
5. No laser pens during any contest.

I hereby give permission for my son/daughter to participate on an AISA Athletic team and understand that he/she will be traveling to/from Dubai during the season on chartered busses under the supervision of the coaching staff.

Attendance at practices and games is mandatory and I understand that my son/daughter having been selected to the team will be expected to attend 100% of practices and games and I have discussed this commitment with my son/daughter.
